

Engineer's keypad

Portable, lightweight i-on keypad to assist in your installations

Easy to carry in a protective case with belt clip for quick access

Move engineering session around installation

Plugs on to i-onEX and new Menvier control panels and expanders

Cuts installation time

No need to locate the nearest keypad to make configuration changes or to carry out localised testing

Technical specification

Product name:	KEY-ENG
Environmental:	Class II
Operating temperature:	-10 to +55°
Humidity:	0-93% RH Non condensing
Dimensions:	115 x 156 x 34mm
Weight:	0.26kg
Compatibility:	All i-onEX, i-on next generation and new Menvier panels
